

About Us

Netex is an outcome of business experience and know-how we have developed since 1990.

NETEX combines customers needs with technology and turns them into innovative solutions.

Netex offers eco-friendly products that automotive industry primarily needs. The products are manufactured in award-winning factories that follow strict quality control standards.

Netex warehouse is equipped with the latest technologies and the entire process from order through delivery is automated to achieve maximum customer satisfaction.

N

New Generation

We closely follow all the updates regarding the automotive industry and spare parts technologies

E

Eco-Friendly

We are not alone on our planet and we should respect the nature. We are choosing eco-friendly production and packaging where possible

T

Technological

We implement the latest technological applications to our business processes to provide memorable customer experience

E

Energetic

We are proud of our young, talented and diverse operations team

X

XL Performance

We measure our success with our happy and satisfied customers

LED HEADLIGHTS

Widen your vision; Netex headlights will end the darkness and expand your road view.

PARKING SENSOR

Parking problems for beginners are eliminated with Netex sensors.

ENGINE OIL

Our top-selling product range, conforming to industry standards.
We offer pure and top-quality lubricants.

ANTIFREEZE

NETEX antifreeze is engineered to deliver guaranteed superior protection. Its advanced universal formula fight against the damaging effects of scale deposits and corrosion.

BATTERY

Battery is the centre of energy for every car. With the ongoing power of Netex batteries, you will never have a flat battery.

GLOW PLUGS

One of the key parts of a diesel engine, Netex glow plugs will always support you in cold winter mornings with its powerful performance.

OUR MISSION

Since 2018, we have reached to 500 clients worldwide thanks to our distributors located in the United Kingdom, France and Ethiopia.

We aim to fulfil all quick-fit needs of car services and garages with our product range.

Our aim is to listen and supply to our customers with exactly what they need. Their ongoing trust on Netex is our motivation to continuously improve our services.
